## **VISION**

*The college aims at bringing the benefits of collegiate education to boys and girls belonging to economically disadvantaged rural families who could not move out and join other campuses for higher education. At the time of the establishment of this college our vision was to ensure proper higher education to the students belonging to the rural background with special emphasis on girls and minority communities.*

*Dissemination of ideas, knowledge and education, providing facilities for extracurricular activities for physical, moral, social and cultural upliftment and various community oriented outreach programmes are also basic strands of our vision to make students competent for the job market.*

## **MISSION**

*The chief missions of our institution are:*

- ❖ To impart proper education;*
- ❖ To make the students self sufficient and self-reliant;*
- ❖ To disseminate ideas of honesty and tolerance;*
- ❖ To encourage students to serve the broader society;*
- ❖ To enhance the competence and skills of the learners towards embracing diversity and the pursuit of excellence;*
- ❖ To promote research activities among faculties and learners and to integrate teachers' research works with teaching for the benefit of students;*
- ❖ To ensure academic environment, in and out of the classroom, develop creative and critical thinking, groom the students to seek meaningful lifetime success.*
